

811 ADVANTAGE SAUSAGE

Urethane Wood Flooring Adhesive

- Usable in Glue Assist Applications
- Weather-Resistant Packaging
- Easy to Open
- Extrudes Easily

FEATURES AND BENEFITS

- Provides additional strength in all areas, reinforcement in nail down traffic areas
- Good for repairs and small installations
- Perfect alternative to face nailing, closeout rows, board replacements, trim and stair treads
- Packaging can be recycled, reducing landfill waste
- Won't cause dimensional changes in wood
- FloorScore® certified by SCS

Titebond® 811 Advantage Urethane Wood Flooring adhesive is now available in sausage packs. Sausage packs save time, money and are more environmentally responsible. They are ideal for flooring repairs and small installations that don't require a full pail of adhesive. Air-tight packaging helps to extend the adhesive shelf life up to two years. Sausage packs allow for the adhesive to be troweled or spread. They increase yield, reduce waste, and can be recycled. For precise control and handling, sausage packs can be used with a gun delivery system, available with various nozzles for application in tight areas.

ORDERING INFORMATION

- 811 Sausages / 20 Units Per Case
40 lbs. / 44 Cases Per Pallet
Product Code: 27742
- Sausage Cartridge Gun / 6 Units Per Package
3.0 lbs. / 30 Packages Per Pallet
Product Code: 17844

SAUSAGE PACK AND GUN INSTRUCTIONS

1. Push the release mechanism and pull out the metal plunger arm.
2. Unscrew the top lid of the sausage gun. Place sausage inside the gun.
3. Cut a hole in the sausage just below the metal clip.
4. Cut nozzle to the desired width.
5. Place the nozzle in the lid and screw lid back onto the sausage gun. Adhesive is ready to apply.
